actively journeying toward transformation through open conversation

attention young adults:

Join us for a night of open conversation regarding faith and **your** perspectives and visions for the church. **bikemovement** is a group of young adults planning to ride bicycles across the USA this July and August. Over these seven weeks, we will be exploring what church means to young adults today, and our hopes and dreams for making it a relevant and nurturing environment. We would like to hear your voice! **Join the movement at the location listed below!!!**
